

EXERCISE 11**Explore Tor network for anonymous communication**

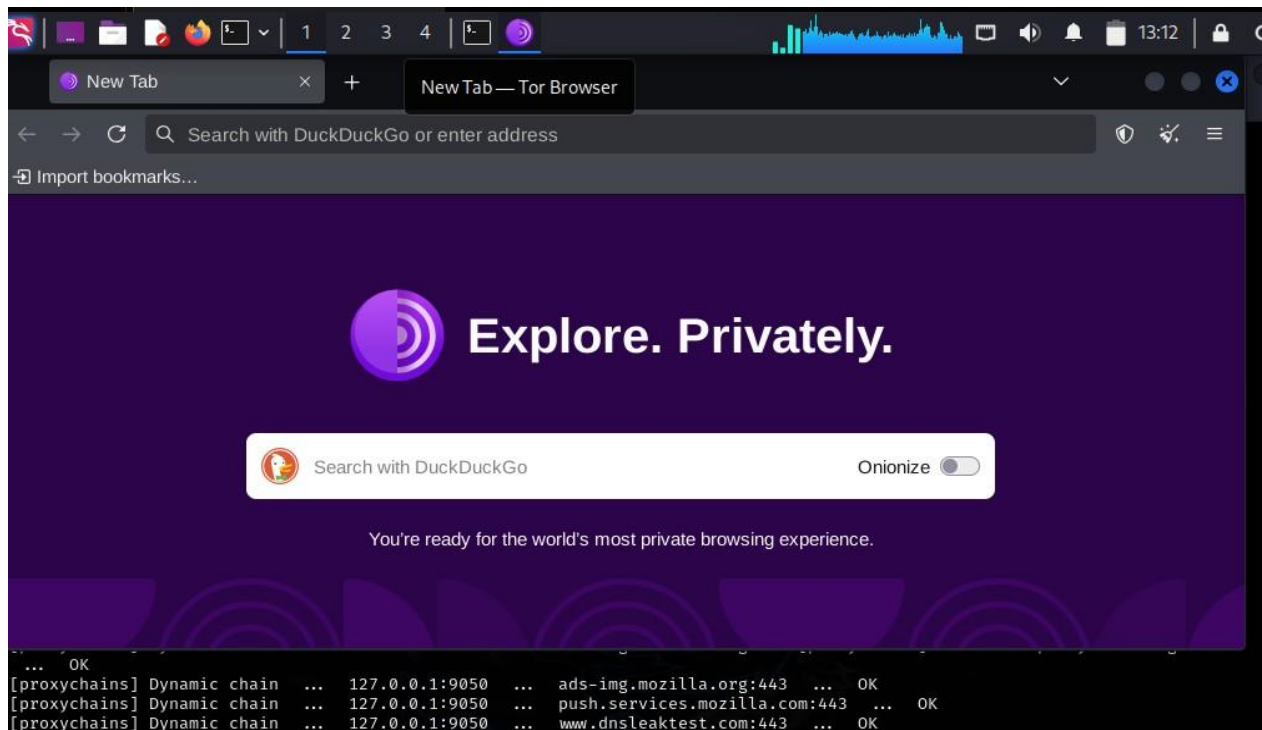

Aim: To provide a beginner-friendly guide on accessing and safely using the Tor network for anonymous browsing.

The screenshot displays a learning interface for the Tor network. At the top, it says "Learn > Tor" and features the Tor logo (a purple onion). The title "Tor" is followed by the subtitle "A beginner orienteered guide on using the Tor network". Below this, it indicates the difficulty level as "Easy" and the estimated time as "45 min". A row of buttons includes "Share your achievement", "Start AttackBox", "Help", "Save Room", a thumbs up icon with "879", and "Options". A green progress bar shows "Room completed (100%)". Below the bar, three tasks are listed, each with a green checkmark and a dropdown arrow:

- Task 1 ✓ Unit 1 - Tor
- Task 2 ✓ Unit 2 - Proxychains
- Task 3 ✓ Unit 3 - Tor browser

The bottom section contains three questions with input fields and "Correct Answer" buttons:

- Question: "Finish the installation."
Input field: "No answer needed"
Button: "✓ Correct Answer"
- Question: "Launch the Tor Browser and set your privacy settings to Level 2 (Safer)."
Input field: "No answer needed"
Button: "✓ Correct Answer"
- Question: "What is the search engine at the following onion address: <https://duckduckgogg42xjoc72x3sjasowoarfbgcmvfimafft6twagswzczad.onion/>"
Input field: "DuckDuckGo"
Button: "✓ Correct Answer"

Result: Understood the fundamentals of Tor, including installation, configuration, and secure usage practices for enhanced online privacy.
